Frequently Asked Questions

How long does the party go for?

The entire party will go for 90 minutes, the first 30 mins in the arena, the middle 30 for eating and cake and the last 30 back in the arena. We recommend the party parent to arrive 15min before the party is set to begin to allow time to get ready. We also allocate 10mins after the party for you to farewell your guest and pack up your belongings.

Can I bring my own decorations?

You are more than welcome to bring your own decorations including balloons, signs, pinatas. We just ask that you use Blu-Tack to stick anything to the wall to avoid peeling off the paint.

Do you have a kitchen?

We have a kitchenette which includes a sink, fridge, and microwave.

Can I bring Alcohol?

No, we are an alcohol free venue, however you are more than welcome to bring in food for the parents or order from our catering menu.

Do I have to bring my own plates and cups?

We are more than happy to provide cutlery, plates and cups regardless of whether you have chosen to do your own catering or if we are catering for you.

Do I have to pay a deposit?

Yes! We require a deposit of \$100 when booking in a Birthday Party. Any party cancelled with less than 14 days notice will forfeit their deposit

General Information

- Final party details and payment is required by Monday before the Party Date. The confirmation of final numbers and payment is to ensure our standard coach to child ratio for health and safety. This is also to confirm and pay for catering if appropriate.
- Any additional guests must be disclosed at the time of final payment, any extra guests participating on the day will be charged on the day
- Safety waivers must be signed by all guests prior to the Birthday Party, this is to ensure there is no delay in getting started for your event. In the unlikely event of the wavier not being signed beforehand, we will have a wavier ready for anyone to sign on the day.
- Any absences of guests on the day of the party, will not be refunded.
- There is plenty of parking outside of our venue for all guests
- Invitations will be sent to you the week the booking was made
- We allow guests to arrive 15min before the time of the party to do any necessary prep and become acquainted
- We allow a **MAXIMUM** of 10min for all guests to leave the venue after the party. This allows us time to clean and prep the venue again for our next booking. Guests staying longer than this may result in further charges to the party.
